

### CODE OF CONDUCT

- 1st. – Only dogs that are identified by microchip, vaccinated and dewormed can access the Garden.
- 2nd. – **All dogs shall be on leash at all times while in the Garden.**
- 3rd. – **Handler is responsible, under penalty, for picking up and disposing of their dog's waste** (bagged) in the waste bins located throughout the Garden.
- 4th. – Handlers are required to monitor and control their dogs at all times, avoiding the inconvenience that may be caused to other dogs or people. When a dog presents aggressive behavior, the handler is required to control it and leave the premises immediately.
- 5th. – Any staff member may request a dog owner to leave the premises if he considers that the dog's or handler's behavior is not consistent with the rules here-by established.
- 6th. – Handlers are responsible and liable for any injury or damage caused by their dogs to other dogs, people and/or the premises.
- 7th. – Dogs of breeds classified as potentially dangerous must be led by an adult and must be muzzled. Handlers must use a strong non-extensible leash and may be asked at any time, to present the mandatory municipal license and proof of having a civil liability insurance in force.
- 8th. – Guide dogs for the visually impaired shall be exempt in all cases to have their dogs muzzled.
- 9th. – It is prohibited:
- a) To let dogs access children's playgrounds, lawns, gardens or flower beds planted. They should remain at all times on the roads and paths that cross the garden.
  - b) The bathing of dogs in ornamental fountains, ponds and the like, or to let them drink from drinking fountains for public consumption.
  - c) The access of dogs to the Stately Home, garden shop, the covered part of the bar or any other space or area that may be indicated.

I confirm having read and understood these rules, committing to compliance.
